NORTHEAST FLORIDA, USA

YOUTH EXCHANGE PROGRAM

District 6970 Conference — April 30 - May 2, 2004

On Friday, April 30, Rotarians from throughout District 6970 gathered in Jacksonville for the start of the annual **District Conference**. But this year, there was something special, as the Friday luncheon began with a "Parade of Flags".

Thirty-five of our current inbound students and outbound candidates made a dynamic impression on the crowd of 500+, carrying in the flags of our 18 exchange partner countries, while singer **Lyndie Burris** performed "We Are The World". For many Rotarians present, it was their first exposure to Rotary Youth Exchange, and they shared our pride and enthusiasm in the growth of the program.
